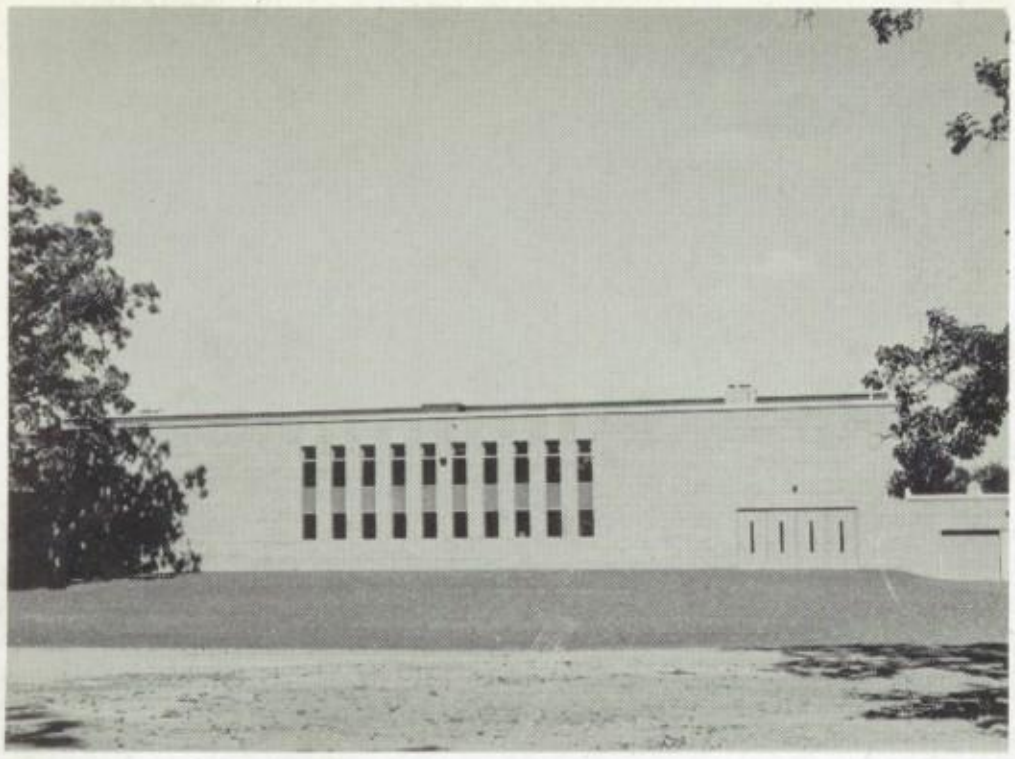
Greendale High School

Greendale, Wisconsin



In The Swim . . .

Since the completion of our swimming pool this past summer, Greendale students have been literally "in the swim". Before we had our pool, we always thought that we were figuratively in the academic and social swim.

Every G.H.S. student had supervised swimming classes at least once a week for one semester. Through the efforts of the Physical Education teachers practically every student learned to swim.

It has been quite a year for Greendalites in the academic and social swim. With the enrollment of 632 students we were offered a wider variety of subjects from which to choose, including third year Latin and Spanish, beginning German, Business Economics, Speech, and second year Drafting. The year was highlighted by five major dances, the most outstanding for most of us being the Prom.

Greendale enjoyed a very successful year in the competitive "swim". More opportunities were offered with the addition of our swimming team. Although not always victorious, the "Panther" teams showed remarkable sportsmanship in every field.

Along with our regular staff of capable teachers, Greendale welcomed Mrs. Catherine Schladitz, making a total of 37 faculty members.

We hope the following pages will show you that Greendale High School is really "IN THE SWIM".

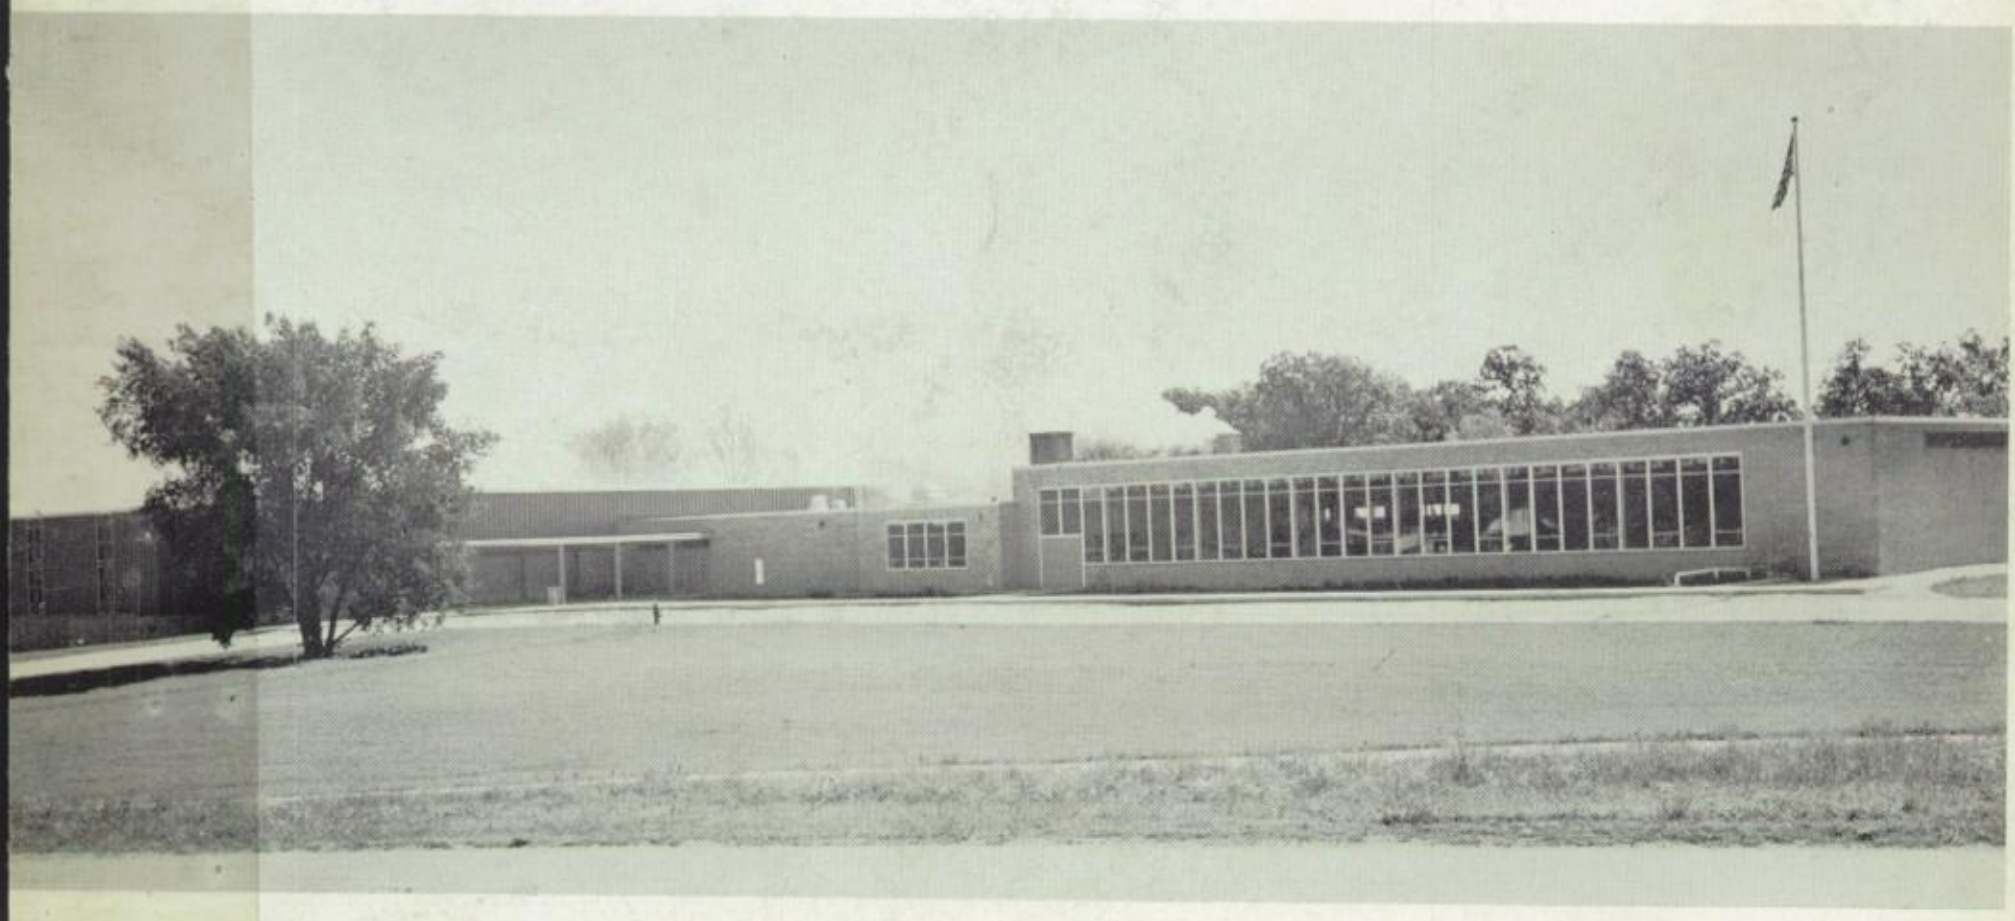
We the G.H.S. students of 1961 have watched our school grow. First with the addition of seven class rooms and then our gym and pool and still more class rooms. This is Greendale High School as the students of "61" saw it.



Karen Millard and Judy Vetter demonstrate one of the latest rages to hit Greendale, the "Twist". The girls enjoy doing the dance but the guys prefer just to stand around and watch.

A tradition around Greendale is "Dress-up Day". Both guys and gals enjoy getting all decked out in their Sunday best as shown by John McAdams, Dotty Hasenzahl, Jess Bogart, Camille Giroux, Bob Bruett, Sally Dolter, Barbara Krawcyzk, and Jerry Hauswirth.

Something looked forward to by everyone at G.H.S. are the informal dances. These dances are usually held on Friday nights and are open to all students living in Greendale.

Something that really made a big splash in fashions this year were the "bandstand skirt" and the "knee tickler". Judy Bognar shows the "bandstand skirt" while Vicky Vetter sports the "knee tickler".

FADS AND FASHIONS

Throughout the years many fads and fashions have ruled the halls of Greendale. Some are seen again year after year while others seem to fade away as the seasons change.

Wherever teenagers are found there you will find the fads and the popular fashions of the day, and Greendalites are no exception.

The newest change in fashion is found in skirts, the most popular being the "Bandstand" skirt and the "Knee-tickler". Another new fashion to hit the Greendale scene was the steady shirts, sported by guys and gals who were "going steady". Still retaining their positions in the fashion spotlight were the "Como" sweaters, blazers, bulky sweater and sweater vests.

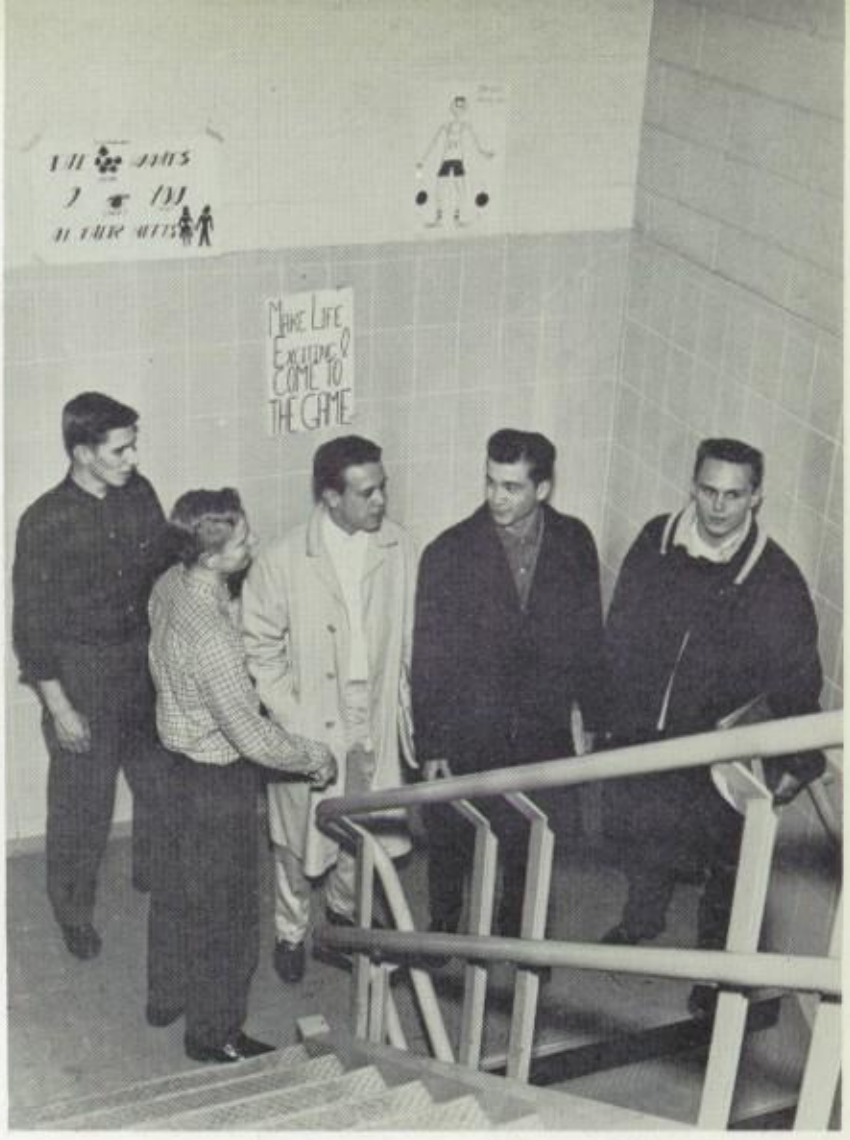
Although, many boys still wear their hair long the short hair cut or "brush" is catching up very fast. Most girls sport a very casual short hair-do.

Making the dance "scene" for 1961, were such old time favorites as the "slow dance", "rock 'n roll", and the polka. A new addition, which really caught on at G.H.S. was the "Twist".

Athletic events were as usual big attractions for us all. And no one can forget those Friday nights after the football games when we all gathered out at one of our local drive-in restaurants for pizza and a coke.

Many of these fads and fashions will be seen in years to come. Some will fade away to be forgotten with time, but Greendalites will remember them as the fads and fashions of "1961".

Kris Holm, Sally Dolter, Kathy Sidoff and Penny Fox seem to be trying to figure out just what or who some of that art work is. They are wearing some of the current fashion hits for the girls.



Talking over the latest sports results before going home are Jess Bogart, Dan Lagerman, Bruce Ries, Dennis Rody, and Glenn Dethloff. They sport some the latest styles in fashion.

REIGN OVER SCHOOL ACTIVITIES

Wearing some of the many styles of matching shirts for steadies are: left to right, Dennis Rody, Sue Sieler, Buzzy Smith, Cheri Thierfelder, Bob Bruett, Nancy Elder, Barbara Krawcyzk, Ron Zielinski, Karen Arrowood and Mike Doering. This eliminated the question of "Who's going with whom?"

Through their hard work on the *Newspaper* and the *Annual* a group of girls were chosen to attend the National Scholastic Press Association convention in Chicago this last summer. The girls attended classes in which were discussed the many problems of producing a newspaper and annual. Much information was gained by all attending including their adviser, Mrs. Berget Sandstrom. Those girls attending were Elizabeth Milanowski, Laurel Lindberg, Bonnie Bennett, Mary Gilbert, and Sally Ringland representing the *Pioneer News;* Judy Bognar and Nancy Elder representing the *Pioneer Annual.*

Pictured *left to right* are Nancy Elder, Elizabeth Milanowski, Sally Ringland, Laurel Lindberg, and Bonnie Bennett. These girls attended the N.S.P.A. convention this past summer.

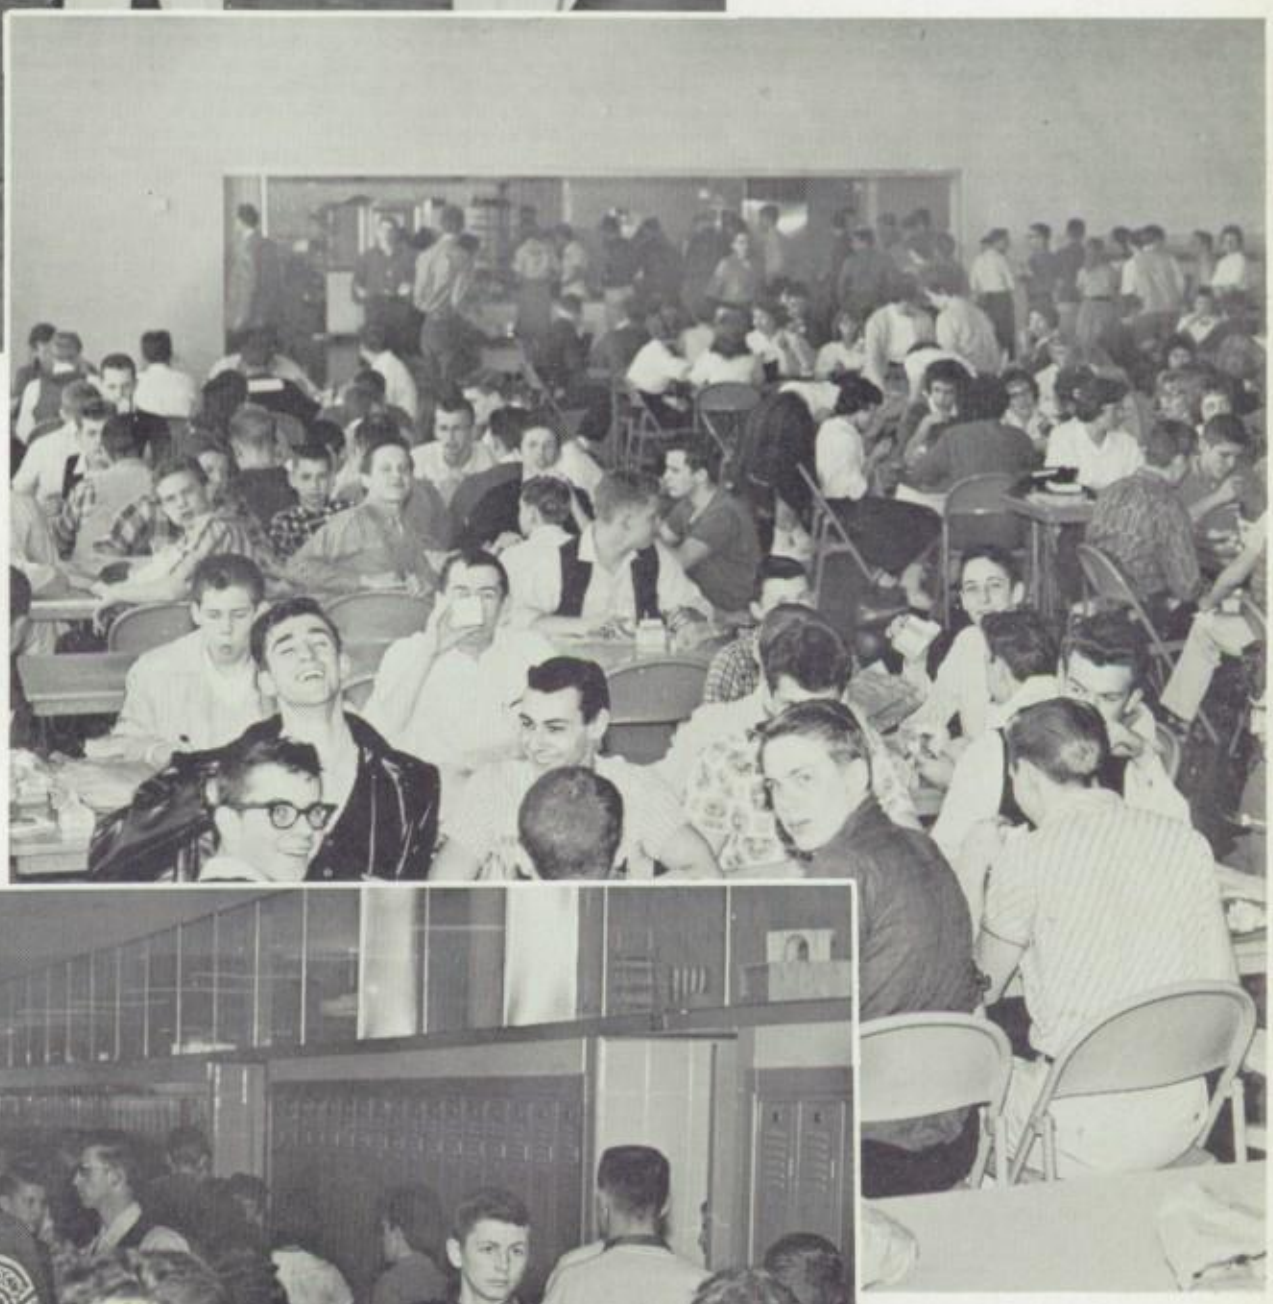
HARD WORK REAPS REWARDS

This past summer Claudia Dobner and Sands Robnick attended Badger Girls' State and Badger Boys' State. They were chosen by the faculty because of their outstanding scholarship and leadership abilities.

The purpose of Badger Boys' and Girls' State is to educate Wisconsin's young men and women in the duties and responsibilities of American citizenship. They are sponsored by the American Legion.

Greendale is proud of its foreign exchange program initiated last year through the Student Council. This year Greendale was fortunate enough to have two "foreign exchange" students. Bodil Korsgaard was here from Denmark, and Dick Colter represented G.H.S. and the United States in Italy for three months this past summer. Through "Bodie", as she was known to G.H.Sers, and Dick, Greendale students learned much about both countries.

It just wouldn't seem like school without our assemblies. Students were offered a wide variety of entertainment, both educational and humorous. Pictured on the left is a skit at one of our Pep Assemblies in which some girls are trying to prove that they can play basketball better than our team.



The main purpose of our multi-purpose room is to serve as a cafeteria. Students are given a half hour in which to eat. Over half the students bring their lunches but a good number participate in the hot lunch program.

A common sight around Greendale in the morning is groups of students standing around and talking. This is a time to talk over what you did last night or to ask that special gal for a date.

Faculty

In the Swim of Education . . .

Four years of college are required for a regular teacher's license in the State of Wisconsin, but few of Greendale's teachers have stopped with the minimum. Masters degrees are more the rule than the exception on our faculty, as men and women are teachers during the day and students again during the evening hours and in the summer.

Who makes a day-after-day, year-after-year effort to teach us the things we must know to be successful citizens? Who supervises the discipline in the halls and the cafeteria? Who pitches in at our dances, ball games, and club activities? Who listens to our problems and laughs at some of our jokes? Who bears the brunt of our wrath when high school isn't all we'd like it to be? That's why our faculty is "in the swim" of education, because they continue to learn as well as teach.

ROGER C. SEAGER
Superintendent of Greendale Schools

Once again the *Pioneer* has succeeded in capturing the spirit of Greendale High School by chronicling so well the activities of the 1960-1961 school year. It has been a full year for most of you—productive and stimulating, yet enjoyable.

The graduates of the Class of 1961 carry with them the congratulations and the very best wishes of the Faculty, the Administration, and the Board of Education. May each of you utilize your education to the fullest and fulfill the high hopes we hold for you.

Seniors

In the Swim of Life . . .

"We're Seniors! It doesn't seem possible." This is what we said when we registered last fall for the final time. Throughout the year we experienced many emotions. We felt the *responsibility* of being looked up to by the underclassmen. We were *proud* to show off our caps and gowns on Senior Day, *proud* of our senior boys as they participated in athletics. We were *excited* as we planned our Senior Banquet. We were *nervous* as we faced commencement and now we are *hopeful* as we face the future, *confident* that we are "in the swim" of life.

Senior class advisors are: seated Mr. Karrmann, Miss Sieracki, Mr. Bahr; Standing: Mr. Guy, Mr. Kreske, and Mr. Szymaszek. They assisted the seniors in many decisions throughout their four years of high school. They also did more than their share in making our prom and graduation a big success.

The Office Practice classes perform many services to the school. They make the tickets for almost every function, make programs for assemblies. They also assist teachers and the office with many typing jobs. Pictured left to right are Sharon Larson, Dian Mitchell, Lynn Petrie, Pat Buske, and Mrs. Sandstrom.

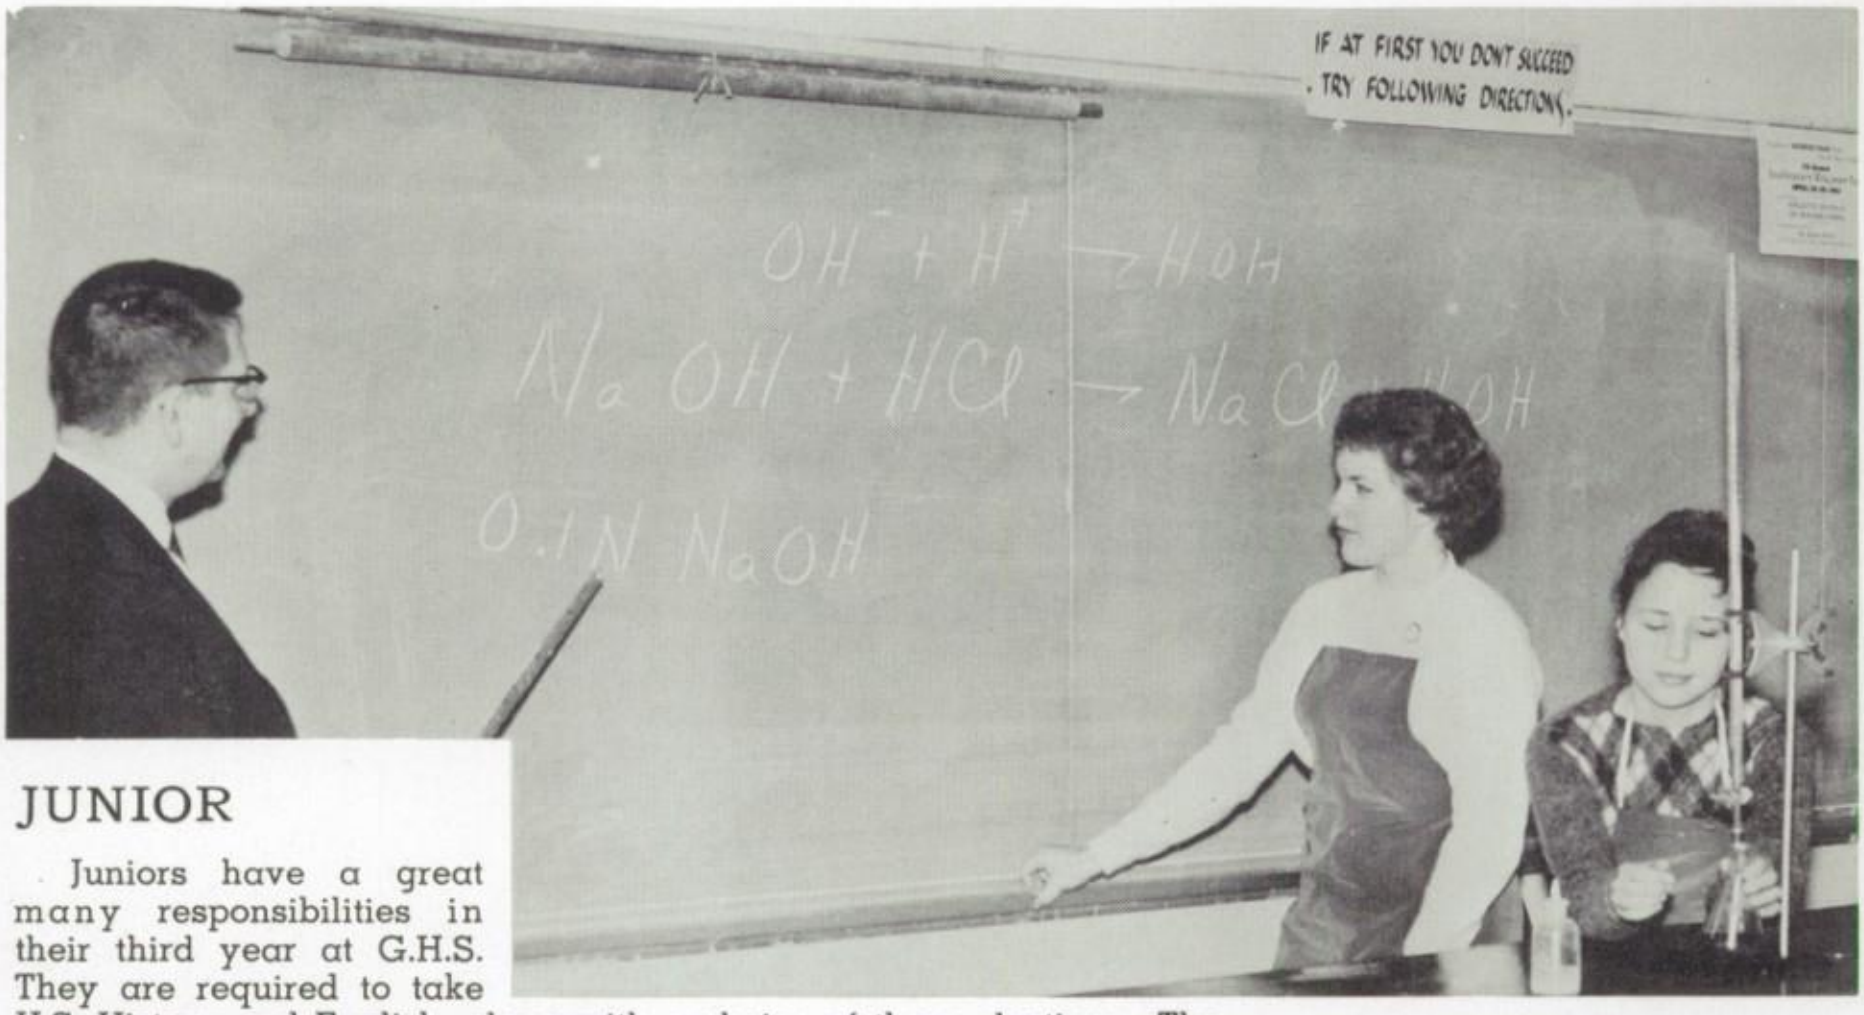
In the swim of learning . . .

This is the core of Greendale, the hub around which all else revolves, the reason for Greendale's being.

For these people, the students of our year, the rest of our school world exists; for their education the faculty and the classes are provided.



Chemistry — "Do you know what this stands for?" Mr. Stenson asks M. Dale and K. Ruling.

JUNIOR

Juniors have a great many responsibilities in their third year at G.H.S. They are required to take U.S. History and English, along with a choice of three electives. The electives are: Advanced Algebra, Chemistry, Applied Math, Home Economics, Shorthand, Typing, Mechanical Drawing, Shop, Art, Spanish and Latin. A new course, German, was opened to all Juniors.

All juniors looked forward to and enjoyed the Prom held in the Spring. Another exciting event was the election of class officers. Elected this year were: Bob Bruett, President, Don Snider, Vice President, Kathy Havnen, Secretary, and Mary Hartman, Treasurer.

FRESHMEN

The freshmen face many new and exciting experiences as they enter their first year of high school. Although their first day is a little frightening, each one becomes acquainted with his surroundings and soon becomes adjusted to the new routine of school life.

The many fields of study that are offered give them many new opportunities. Their required subjects are General Science and Democratic Living. Their electives are: Shop, Algebra, General Business, Applied Math, Art, Home Economics, Latin, German, and Spanish.

At the close of the year, the freshman looks ahead to his future years at GHS.

Organizations

In the Swim of club responsibilities . . .

From the Homecoming to the Twirp dance different organizations are keeping Greendalites active. Participation varies from seven or eight in the Camera Club to 90 or more in Pep Club. These organizations schedule assemblies, check coats at ball games, organize dances and plays. All activities are sponsored in order to provide Greendale students with worthwhile projects to round out academic progress, which is their first goal.

DEMOCRACY IN ACTION

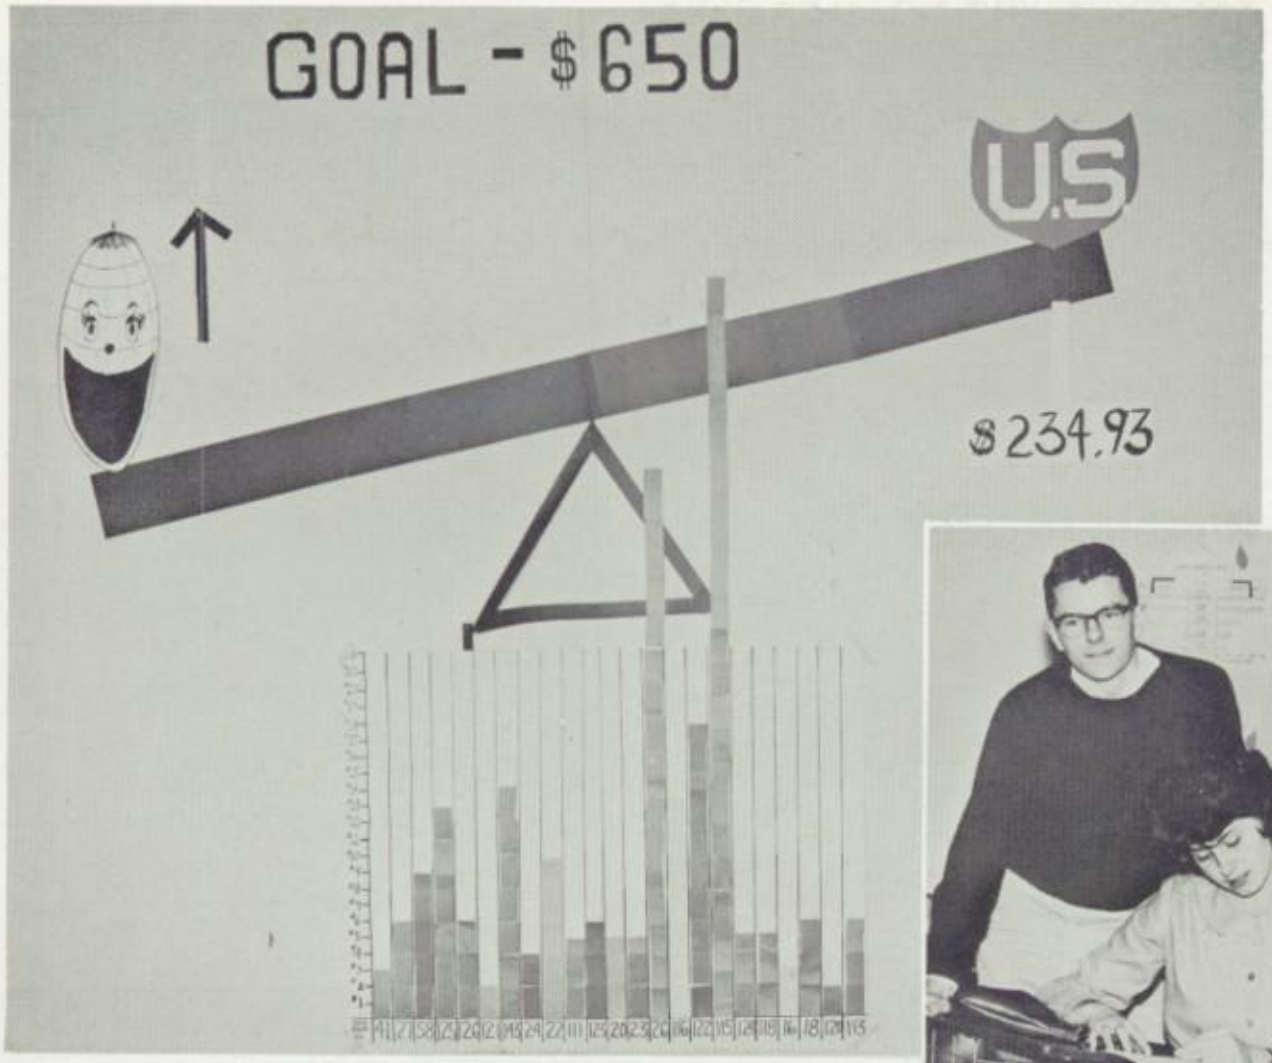
OFFICERS: C. Ries, Treasurer; K. Allen, Secretary; J. Bogart, President; K. Gregg, Vice-President.

"Of the students, by the students, and for the students." The G. H. S. Student Council is democracy in action. It is an organization which includes all the students. The purpose of the Student Council is to improve the school and to promote better participation in all activities. Through the representatives, of which two are elected in each homeroom, all students may voice their opinions and make suggestions to council.

During the past year, council has been kept very busy with its numerous activities. Among these are the sponsorship of a Foreign Exchange Student, dances, assemblies, monitor systems, as well as Homecoming activities and the production of a student handbook. The Student Council consists of these major committees: the Social Committee, the Student Handbook Committee, and the Foreign Exchange Committee. Others are the Student Handbook, Program, Publicity, and Welfare Committees. All these groups are constantly striving for one objective — improvement!

With all these activities, the Student Council meetings are very important. They are held every week, alternating one week during school and the next week after school. The advisers who guide the council in their work, were Mr. Baumgart, Mr. Szymaszek, and Mr. Watson.

Student Council is a necessary and important organization. Through it, the student body is constantly striving to better G. H. S. and make our school a more enjoyable and beneficial place for the students of today and tomorrow.



Reaching our goal!

Due to the efforts of the Student Council Foreign Exchange Committee, the goal of $650 was reached, and the third foreign student will attend G. H. S. next year. This money was raised in various ways, such as a penny a vote for the Sno-ball king, by the dime cards which were distributed in the homerooms, and by the Faculty-Varsity basketball game.

Editor-in-Chief
NANCY ELDER

To the Student Body:

What is an Annual? Staff members work an entire school year to produce this book; several thousand dollars are spent to publish it. Yet, what is its purpose?

Actually, an Annual is a pictorial record of a year's events explained by copy blocks and emphasized by headlines. For Greendalites the *Pioneer* is more, however. Its pictures remind them of the many dances, assemblies, clubs, teachers, and classmates who helped to make each year at Greendale another unforgettable one. Its copy recalls the ball games, dances and school in general.

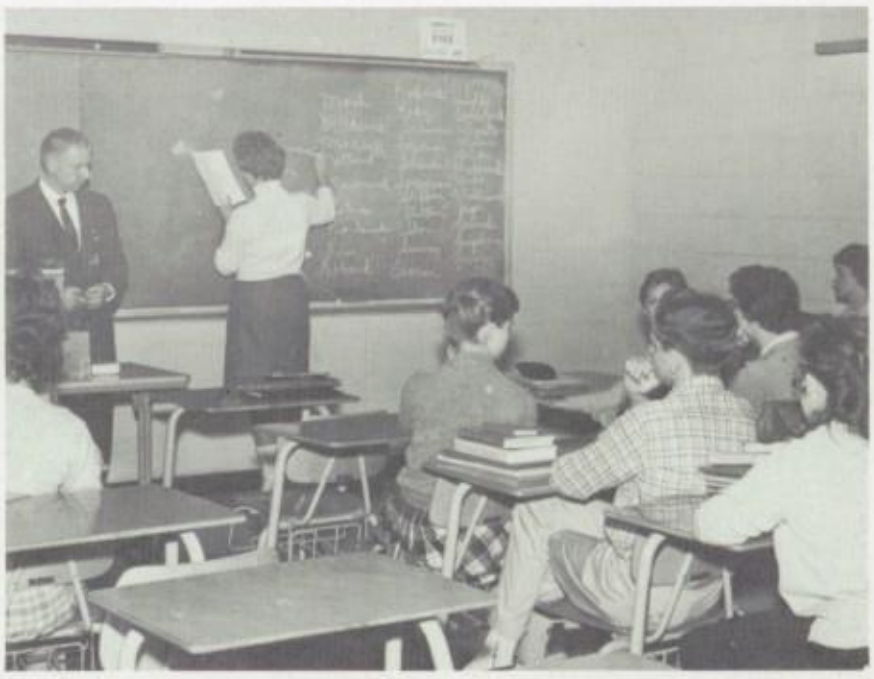
This book required the patience and hard work of all staff members.

We, the staff of the 1961 *Pioneer Annual* hope that this book will remind you of the many things, both large and small, that happened during the '60-'61 school year.

Your Editor,
Nancy Elder

HARDSHIPS, FRUSTRATION — PATIENCE!

Our Photographers, Karl and Dan, are necessary members of the Annual staff.



"Why didn't you get your ad?" asks Mr. Heard.

Pasting pictures is a delicate job.

OUR FUTURE JOURNALISTS??

To the Student Body:

For most of the *Pioneer News'* editors, the publication year started in late August, when we spent three glorious days at the Conrad Hilton Hotel in Chicago, attending the National Scholastic Press Association's annual convention. We returned full of ideas and eager to put them into practice.

In the course of the year, we experienced all the usual frustrations of journalism. No sooner would an article be typed than it would be obsolete. No sooner would one deadline be met than another would loom up and we'd have to catch our breath and start all over. Meeting deadlines sometimes meant working to the late hours of the night behind a typewriter, writing, or at the printer's, setting headlines. Nevertheless, our loyal staff managed to cover the news stories at G. H. S., from North Central accreditation processes to a fictitious Easter egg hunt in our April Fools' Day edition.

Our efforts to improve the *Pioneer News* led to the introduction of *Scholastic ROTO*, a picture supplement of teen-age activities and interests which is distributed throughout the nation to qualified school newspapers by NSPA.

With the guidance of our experienced adviser, Mrs. Sandstrom, and the help of our daring photographers, who eagerly attempted such impossible shots as a cake's eye-view of a home economics teacher, and the preseverance of our typists, who had to type each article two to four times, we managed to survive the year with enough ambition to look forward to the next.

Thanks again to our staff members, as well as our readers, who have made the *Pioneer News* successful during the past months.

Your editor,
Sally Ringland

FRIENDSHIP, CITIZENSHIP, TRADITION

Strictly for girls! That's the G. H. S. Girls' Club. This group met on alternate Tuesdays and consisted of Sophomore, Junior, and Senior girls. Kathy Moran, President; Sherry Downard, Vice-President; Sue Seiler, Treasurer; Karen Reichl, Secretary; and Laurie Lindberg, Program Chairman, were the girls elected to serve as officers of the club during the 1960-61 school year.

The annual initiation began the group's activities this year. This is a serious event at which the new members recite the pledge, and all the old members are reminded of the purposes of the club. These are to foster friendship among G. H. S. girls, to help girls grow into conscientious citizens, and to increase appreciation of G. H. S. tradition and philosophy.

This club, under the capable supervision of Miss Quirk, sponsored many fun-filled activities this year. The girls enjoyed a post exam party, a "Hat Hop," a father-daughter banquet, a style show, and a mother-daughter tea. Again this year a needy family was given a basket of food for their Thanksgiving dinner.

SERVICE, SPIRIT, ENTERTAINMENT

Pep Club is a truly fitting name for this organization, for its main purpose is to build school spirit. This is accomplished through the humorous and lively pep assemblies sponsored by this organization and by the Club's assistance in cheering at games. Cheers are taught by the G. H. S. cheerleaders at the Pep Club meetings.

This club also assists in school activities. This year the usual activity, which is ushering and selling tickets and candy at games, became an even bigger job for the Pep Club due to our new, spacious gym.

The officers this year were: Karen Millard, President; Marnie Dale, Secretary; and Mary Jackson, Assembly Chairman. The Pep Club advisers are Mrs. Lyon and Miss Wurl.

Selling tickets is an important activity of Pep Club—C. Dobner, B. Korsgaard.

PANTHERETTES

This group, which is an auxiliary of the Pep Club, marched at our football and home basketball games. The girls wore Scotch uniforms and made up their own synchronized routines. Their president was Mary Jackson and the captain of the "Pantherettes" was Claudia Dobner. They are truly a group of which G. H. S. can be proud.

INDUSTRIOUS AND PATIENT

The Camera Club is a vital organization as far as the *Pioneer Annual* is concerned. Without the hard working members of this club, the *Annual* would not exist. This club was responsible for taking, processing, and printing over ninety per cent of the pictures in this *Annual*. This group also did photography for the *Pioneer News* and for the teachers at G.H.S.

The club operated under the supervision of Mr. Mortensen and members worked just about any day of the week. Much time was spent working in the darkroom during "free periods", after school, and over vacations.

Necessary qualifications for anyone interested in joining Camera Club are: an interest in photography, responsibility, dexterity, and patience.

K. Kindel demonstrates the methods of filing pictures to J. Cardimona.

D. Lagerman explains the mechanics of a camera to J. Cardimona, H. Manard and J. Kohlweiss.

"SPUTNIK" PRODUCERS

J. Kuglitsch explains his prize winning project to a viewer.

The Science Club had a very interesting year busying itself in such areas as radio training, the Science Fair, and individual projects. The club met on alternating Tuesdays after school and was under the supervision of Mr. Andrew Stenson. Officers were: President, David Kuntsch; Vice-President, Lowell Ziese; Secretary, Pat Cook; Treasurer, Chuck Horvath.

The Science Club is open to anyone interested in science and willing to participate and further any idea of science in which he is interested.

A major aspect of our Science Club was to develop interests in radio operation to a point whereby a student can obtain an Operator's License.

A CLUB IN THE SPOTLIGHT

H. Weber, N. Vento, and E. Roderick put on a skit at a Theatre Guild meeting.

OFFICERS: *Seated*—M. Schroedl, Secretary-Treasurer; *Standing*—B. Harris, President.

Under the skillful direction of Miss Sieracki and Mr. Szymaszek, the Theatre Guild fulfilled its purpose of promoting an interest in drama and giving capable students a chance to display their talents in the acting field. It is open to all G.H.S. students.

Among the activities in which the Theatre Guild takes part are the presentation of a full-length play, field trips to see plays, demonstrations of stage techniques, and skits which are presented at the meetings.

This year's meetings took place on the first and third Thursday of each month with Bonnie Harris, President, and Mary Schroedl, Secretary-Treasurer, acting as officers.

The annual school play was presented early in May and proved, as usual, an outstanding success.

FOLLOWING IN THEIR TEACHER'S FOOTSTEPS

Future Teachers of America was organized to develop the interest of qualified students in the teaching profession and to provide services to others.

This group met the fourth Thursday of every month under the supervision of Mrs. Catherine Schladitz, with President, Bob Lauerman; Vice-President, Elizabeth Milanowski; Secretary, Bonnie Bennett; and Treasurer, Maria Kutz, presiding as officers.

F. T. A. members participated in the following activities: collecting books for a children's home, tutoring, collecting magazines for students overseas, and sponsoring a bake sale and selling light bulbs in order to earn money. These funds enabled members to attend the state convention, which was sponsored by the Wisconsin Education Association.

ALERTNESS, SPEAKING AGILITY

Our Forensics and Debate Club gives students training and experience in various fields of speech, such as, declamations, orations, speeches, and readings. This club is divided into two groups, Forensics students and Debaters. They each specialize in developing certain speaking abilities. Members participated in debate invitational tourneys, the Braveland Tournament, and the Wisconsin High School Forensic Association District Tournament.

The officers of Forensic and Debate were President — Claudia Dobner; Secretary — Lois Dobner; and Treasurer—Karen Reichl.

This group met every Monday after school under the guidance of Mr. Wichman. Forensic people participated in local elimination contests with Kathie Allen going on to the State Contest, in Madison.

THE BUSY LIBRARY STAFF

What group at G. H. S. was as busy as bees this year? Why, the members of Library Service, of course.

This organization is composed of those students who attain a "C" average and who wish to work in the library.

Under the direction of Mrs. Augusta Zwiebel, the members were kept busy with such tasks as shelving, collating, filing, shellacking, putting plastic covers on books and assisting at the desk.

With the knowledge and experience the students gained in the library, members broadened their own interests, as well as having rendered service to their school.

LEADERSHIP, SCHOLARSHIP, CHARACTER, AND SERVICE

The National Honor Society is a national organization whose purpose is to give full recognition to outstanding students who have gained high academic achievement and have demonstrated sound leadership, good moral character, and service to the school and community. Membership is obtained through an anonymous voting system that rates the candidates in these qualities.

The organization, sponsored by Mr. Kapsos, meets the first Tuesday evening of each month. Among some of its activities were the issuing of permanent library passes to deserving students and the establishment of an honor roll.

This year's officers were Sands Robnick, president; Claudia Dobner, vice-president; Mary Jackson, secretary; and Charles Bonack, treasurer.

Above right—New members sign the membership book.

Top Row—Mr. Katalinich, L. Lenz, G. Schellhass, C. Spencer, T. Fitzwilliams; *Row 2*—C. Amundson, R. Johnson, H. Fahning, J. Salomone.

The Stage Crew, under the direction of Mr. Joseph Katalinich, receives training and instruction in the operation of lights and microphones, setting up various stage props, and in general learn to work with the various tools needed in this activity.

The purpose of this group of boys is to aid in the smooth functioning of various school programs and assemblies such as the water show, the play, pep assemblies, and student council assemblies, by doing the "behind the scenes" work.

Complete trustworthiness and reliability are two very important personal characteristics necessary for membership in this group.

RELIABILITY AND TRUSTWORTHINESS

SELF-EXPRESSION, CREATIVENESS, AND POISE

This small group of girls met Monday after school to take part in the fine art of Modern Dance. They made up their own routines paying special attention to grace, rhythm, and tempo.

The girls under the guidance of Mrs. Lyon have learned to be creative and were given the opportunity to be self-expressive and thus develop their poise. Any girl who shows an interest typical of the group is encouraged to join.

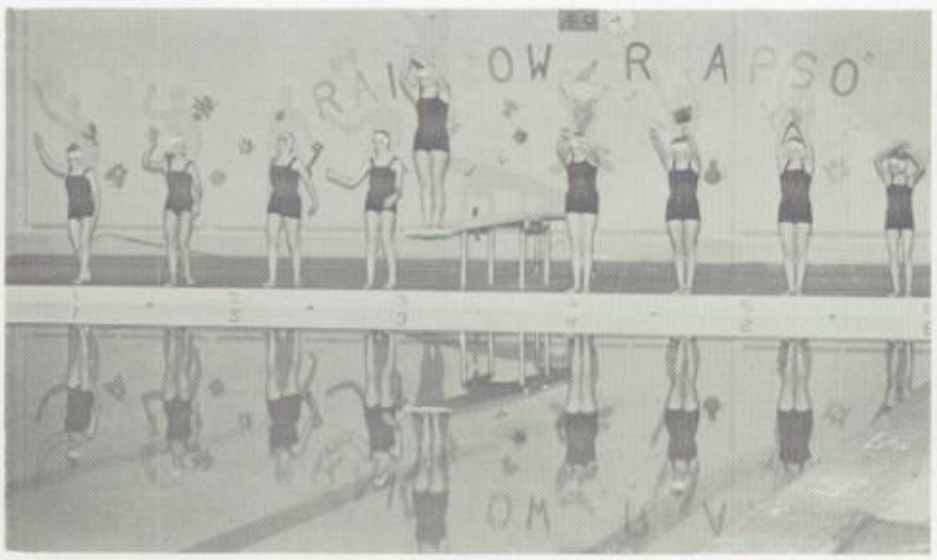
SYNCHRONIZED SWIMMERS

With the completion of the swimming pool a new club called the "Sea Sprites" was formed. This water ballet group met every Thursday after school.

The girls spent many hours making up routines, practicing the numbers, and finally making costumes for the water show which was presented on April 14th and 15th. The theme of this, the first annual show, was "Rainbow Rhapsody".

Officers were: President, Nancy Elder; Vice-President, Kathy Keaton; Secretary, Jane Ritzenthaler; Treasurer, Jean Ritzenthaler. The group of 35 girls was under the direction of Mrs. Eleanor Lyon.



The theme of "Rainbow Rhapsody" was carried out with "Tangerine".

FEMALE ATHLETES SHOW GOOD FORM

The Girls' Athletic Association, which met on Wednesdays, was organized to give all girls a chance for sports participation.

President Claudia Dobner and Secretary Norma Dale with the help of Bonnie Harris, senior representative; Mary Hartman, junior representative; Lois Repp, sophomore representative; and Doris Moran, freshman representative, keep the club running smoothly. The advisers were Miss Wurl and Mrs. Lyon.

The girls enjoyed competitive sports, such as, volleyball, and basketball. They also participated in softball, badminton, apparatus, and other sports.

Softball was an important activity of the girls.

Performing on the apparatus takes balance and coordination.

MELODY MAKERS

Practice makes perfect. We're sure that this is one thing that every member of the band has heard many times this year.

Any high school pupil who qualifies through tryouts, may participate in the Greendale High School Band. The band, under the direction of Mr. Uhlig, met every day during the fourth hour. It stimulated interest in music and provided an opportunity to participate in events.

As a result of hard practice, the band gave wonderful performances at assemblies, concerts, and contests. The Spring Concert, April 24th, provided nearly seven hundred spectators an opportunity to see and hear the band at its best.

The G. H. S. Pep Band provided music at the pep assemblies and at home football and basketball games. This was a special activity for qualified band members.

SWEET SOUNDS OF SUCCESS

From the sweet sounds of this group at the Spring Concert which was held on April 24, this group was certainly successful in developing its musical talents.

The A Cappella Choir met every Monday and Wednesday 4th hour and were instructed by Mr. Wegner.

The Choir's main activities were the Christmas Program and the Spring Concert. During these programs the outstanding ability of the A Cappella Choir to sing splendid harmony was indeed evident.

The Spring Concert was a great success.

Over seven hundred spectators viewed the combined choruses.

Top Row—E. Bonack, J. Seaquist, M. Sem, J. Wozniak, B. Luebke, M. Schroedl, K. Reichl, B. Olsen, P. Stout, N. Dale, J. Toman, M. Juneau; *Row 2*—M. O'Donnell, M. Strenke, S. Hageman, K. Tersen, C. Sucharski; *Row 4*—C. Ratkowski, B. Stuner, P. Mehlhaff, N. Glow, J. Vetter, B. Bozich, B. Edlund, L. Dobner, K. Sell.

Because the Senior Girls' Chorus contains many experienced singers, their musical capacity was especially outstanding this year as evidenced in the selections which they sang at the Spring Concert and the Christmas program.

This group practiced very hard every second hour and still managed to find time to enjoy themselves for they were satisfying their main interest — to sing.

EXPERIENCE IS PROMINENT

DISCOVERING MUSICAL TALENT

The freshmen girls were given a chance to take part in the Freshman Girls' Chorus, which is devoted to enjoying music.

This group met every 3rd hour and learned what it was like to sing in a large group when they participated in the Spring Concert and the Christmas program.

This group, under the direction of Mr. Wegner, showed much talent and many members will display their singing ability in other choral groups during their remaining years at school.

Events

In the social swim . . .

This year the total attendance at the dances was over a thousand people, nearly seven hundred viewers enjoyed the Spring Concert and over five hundred spectators watched the Water Ballet shows. With this large turnout for varied events, Greendale students once again prove that they really are *"in the social swim"*.

Junior Prom Royalty: Queen K. Gregg, King J. Bogart. *Court:* J. Hafeman, P. Peterson, J. Wozniak, S. Seiler, R. Ariens, G. Dethloff, S. Robnick, and F. Zuerner.

IN THE JUNGLE

The date that stands out before all others in the minds of many students at Greendale was that of April 29, 1960, the day of the Junior Prom.

The theme chosen for the prom by the Junior Class was "Twilight Time," and the elaborate jungle decorations made you feel transported to a captivating scene deep in the heart of the wilderness. If you looked around real hard, you could also spot some fierce looking cannibals stalking about the floor, with their bones in their noses and weapons in their hands, looking for some "choice morsels" for dinner.

Chuck Howard's band played as Queen Kathy Gregg and King Jess Bogart stepped to their Royal Throne, an immense tribal mask, complete with red, lighted eyes. They were followed by the Court of Honor: Judy Hafeman, Pat Peterson, Joyce Wozniak, Sue Seiler, Ray Ariens, Glenn Dethloff, Sands Robnick, and Frank Zuerner.

Immediately following the prom the couples were heartily welcomed as soon as they arrived at the Allis-Chalmers Clubhouse, to attend the Post Prom Party, sponsored by the Greendale P.T.A. and the Allis-Chalmers Company. Under the theme of "Tulip Time" the finishing touches were added to a gala evening; an evening that will always be remembered.

HOMECOMING ADDS COLOR

The Court

Greendale's 1960 Homecoming week end got off to a successful start at the Pep Rally and Parade held on Thursday evening, September 29.

Queen Barbara Krawczyk and King Ron Zielinski led the parade of floats. Their Court of Honor consisted of Judy Hafeman, Janice Schwabe, Kathy Gregg, Joyce Wozniak, Pat Glynn, Ray Ariens, Glenn Dethloff, and Jess Bogart.

The highlight of the evening was the announcement of the winning floats. First place went to Homeroom

The Panther's mascot, Kathy Krawczyk, was escorted by Tim Fitzwilliams and Bruce Ries.

TO GRIDIRON

113's "It'll Be A Lulu", second place went to Homeroom 116's "Whale Swallow Anything But 'Defeet'," and combined Homerooms 16's and 18's "It'll BEE Our Victory" took third place.

On Friday, Homecoming activities continued in full swing with a Pep Assembly in the afternoon and the game against South Milwaukee, Friday night. The Panthers fought hard but were defeated 59-0.

The week end was climaxed by the Homecoming Dance on Saturday evening. Parts of the winning floats served as decorations.

All that remains now, are the memories of an exciting, fun-filled week end.

Sno-Ball

As the dance got into full swing, the couples admired the beautiful ice carvings made by several students.

The annual Sno-ball, held on December 10th, was a very successful dance. With four beautiful ice-carvings gleaming brilliantly under colored lights, glistening snowflakes suspended from the ceiling, and a huge flocked Christmas tree completed the wintery effect.

The student body elected John McAdams, the senior candidate, to be their "Snoman." Representing the other classes were: Jim Davis, Junior; Pat Dedynski, Sophomore; Tom Fitzwilliams, Freshman. The voting was held during the week preceding the dance on the basis of a penny for each vote. The annual ice carving contest was held on the afternoon before the dance, and Ray Ahlgren's carving was awarded first place.

The Sno-ball, a Student Council sponsored dance, was held in the multi-purpose room and lasted from 8:30 to 11:30 p.m. As the couples left the dance, they each left with many memories of a truly enjoyable evening.

The music for the Sno-Ball was very delightful for ballroom dancing.

Sweetheart Dance

Hearts were gay at the annual Sweetheart Dance held on Saturday, February 11th of this year. The senior boys chose Janice Schwabe to be their beautiful queen, and Judith Hafeman, Joan Jacobs, and Sue Seiler were on her Court of Honor. The music was provided by Richard Kent and his orchestra.

Our traditional guest, Cupid, also attended. His arrows glittered as he hung from the ceiling, keeping a watchful eye on everyone present. Hearts and streamers of gay red and white paper formed the rest of the decorations which created an atmosphere of romance and festivity.

The Sweetheart Dance, sponsored by Student Council, was held in the multi-purpose room of the high school from 8:30 to 11:30 p.m., and those who attended agreed that it was an evening enjoyed by all.

The crowning of the Sweetheart was the highlight of the evening. Doing the honors was Mary Whelen, Sweetheart of 1960.

SPRING CONCERT

Band and Choral

After several hours of enthusiastic and energetic rehearsing the band and choral groups of G.H.S. presented their annual Spring Concert, April 24th. The band, directed by Mr. Uhlig, was first on the program with a march followed by several solos, a saxophone quartet, and five other numbers. The second portion of the presentation was divided into five parts with narrations by Betteanne Keith. Mr. Wegner directed the choral program which began with an introduction of the four separate singing groups and continued with music of the Church, of the heart, from abroad, and from Broadway. The last two parts were accompanied by dancers. The concert ended with the band and singers giving a moving rendition of the "Battle Hymn of the Republic." The capacity audience vigorously applauded what proved to be an outstanding evening of music.

"RAINBOW RHAPSODY"

The "Sea Sprites" held their first annual Water Ballet show on April 14th and 15th. The girls presented twelve numbers: "Stormy Weather"; "Sail Along Silvery Moon"; "Green Eyes"; "Red Sails in the Sunset"; "April Showers"; "Yellow Rose of Texas"; "Tangerine"; "Greensleeves"; "Deep Purple"; "That Old Black Magic"; "Old Gray Mare"; and "Orchids in the Moonlight." Each performance consisted of its own original formations.

There were over five hundred viewers at the two performances, which made the "Sea Sprites" first appearance a great success.

Sports

In the competitive swim . . .

From the teamwork required in basketball to the individual scoring of golf, good sportsmanship is the goal of each player. Coaches, managers, players, cheerleaders, and spectators each do their part to make Greendale's sports program successful.

Members of all classes unite in their effort to support their teams and cheer them to victory. From their very first football game as freshmen to the final track meet in their senior year, Greendalites are yelling, "We're from Greendale; couldn't be prouder."

FROSH TEAM HAS GOOD SEASON

Although there was a comparatively small turnout for Freshman Football this year, the team did enjoy a prosperous season.

Our energetic Frosh Team, under the coaching of Mr. Kreske and Mr. Gilbert, finished with a very good record of three wins, two losses, and one tie. These boys did a good job and we hope to see many of them out for football next year.

Right—Kim Johnson, the leading runner.

Cross Country, a running sport, is enjoyed by many energetic boys. We can be very proud of these boys for the spirit and effort they displayed.

This year our Panther team won one out of seven dual meets and finished eighth in the suburban meet. In state competition, the Panthers placed seventh out of thirteen schools.

Mr. Bartow, our Cross Country coach, said: "Kim Johnson, the captain of our team this year, was our leading runner." Kim placed sixth among the individual runners in the suburban meets.

EXCEPTIONAL WORK PERFORMED BY

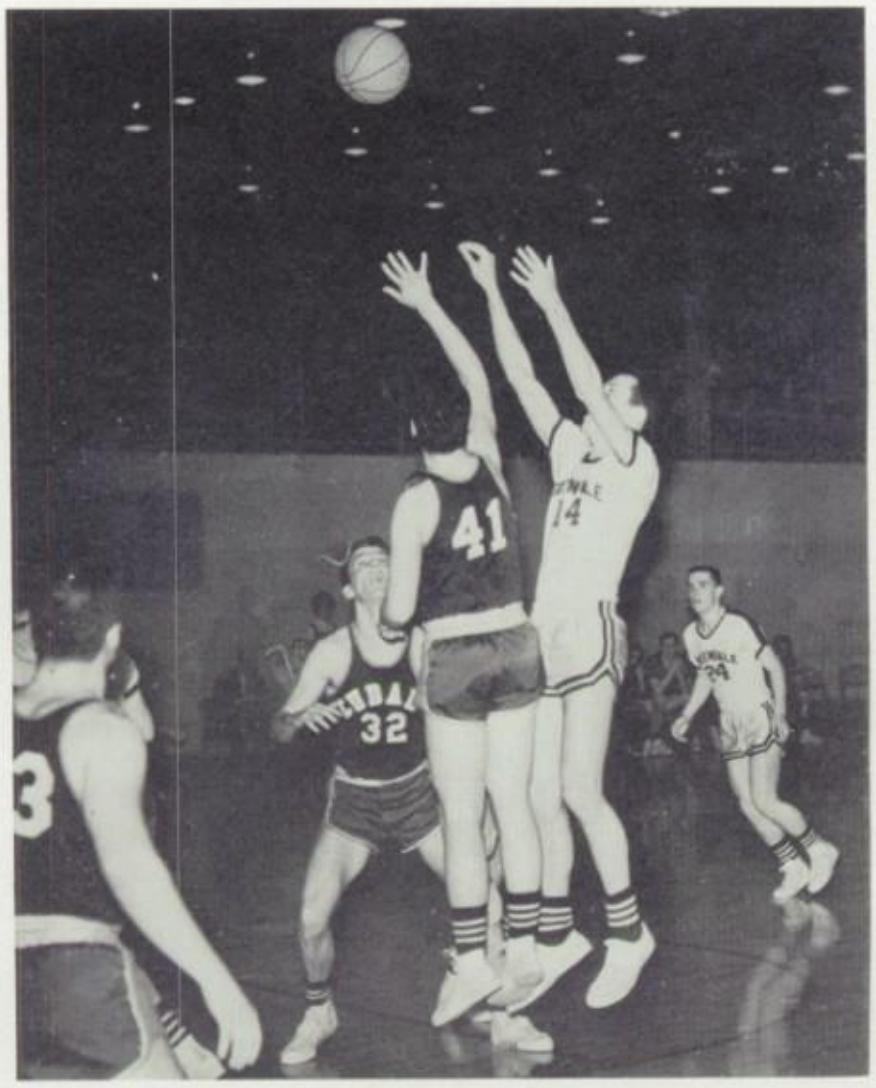
This shows how easy it can be. Right?

The 1961 season has been Greendale's best season in many years. Under the coaching of Mr. Barbian, the team won 4 conference games and lost 10. They also won 4 nonconference games.

Throughout the entire season the team has been backed by the wholehearted support of the G.H.S. fans. The addition of our new gymnasium aided to the general spirit of G.H.S. at the games. Many of the games were exciting and close to the very end. One game demonstrating this was Greendale's victory over Shorewood.

Although Bob Bruett and Dick Prudlo will be the only players returning next year from the Varsity Squad, we are looking forward to many players from the J.V. and Freshman teams for the Varsity.

The captain for the 1960-61 season, Ray Ariens, was also chosen "Most Valuable Player of the Year." Bob Bruett was chosen as the captain for the 1961-62 season by the members of the team. Bob was also chosen by *The Milwaukee Journal* and *The Milwaukee Sentinel* to the all-suburban second teams.



There she goes! I can't reach it.

BASKETBALL — J. V. AND FRESHMAN

JUNIOR VARSITY BASKETBALL

The G.H.S. Junior Varsity Team showed much ability this year. Its members will fill the many vacancies in next year's Varsity Team. The J.V. team chalked up 5 wins and 13 losses during their season. Mr. Kreske was the able coach of the Junior Varsity.

FRESHMAN BASKETBALL

Mr. Heard, the Freshman Basketball coach, had a very good team of boys to work with this year. A few of the boys were able to play with the J.V. Squad at the end of the season and should do well in their future years of competition. The team concluded its season with 7 wins and 8 losses.

FRESHMEN—*Top Row*—C. Transue, D. Dodson, K. Flink, J. Keaton, T. Fitzwilliams, B. Ringland, Mr. Heard; *Row 2* J. Leack, T. Iverson, K. Weimer, D. Drutowski, C. Johnson, M. Ariens.

Another first for G.H.S.! Just as wrestling was a first last year, a Swimming Team was formed for the first time at G.H.S. this year. The team, coached by Mr. Russell, aided by the captain for 1961, Jack Delanty, had a surprisingly good season with 4 wins and 7 losses. It takes much time and work to build a good swimming team, and Greendale has shown a fine beginning for future years in their swimming. We were able to hold swimming meets at G.H.S. this year which were received very well by the eager fans. Greendale hopes to do even better in this sport next year.

The G.H.S. Wrestling team ended the season with an excellent record again this year. Even though this was only Greendale's second year of participating in this sport, our team was one of which to be very proud.

Due to the number of boys interested, a "B" team was formed in addition to the Varsity team. The "B" team put on exhibitions before the Varsity meets. Ron Zielinski, the Varsity captain for 1961, and Mr. Detro the wrestling coach, worked to develop and train these boys along with helping and improving the Varsity team.

Tremendous support was given to this team by the energetic G.H.S. fans at home and at away meets.

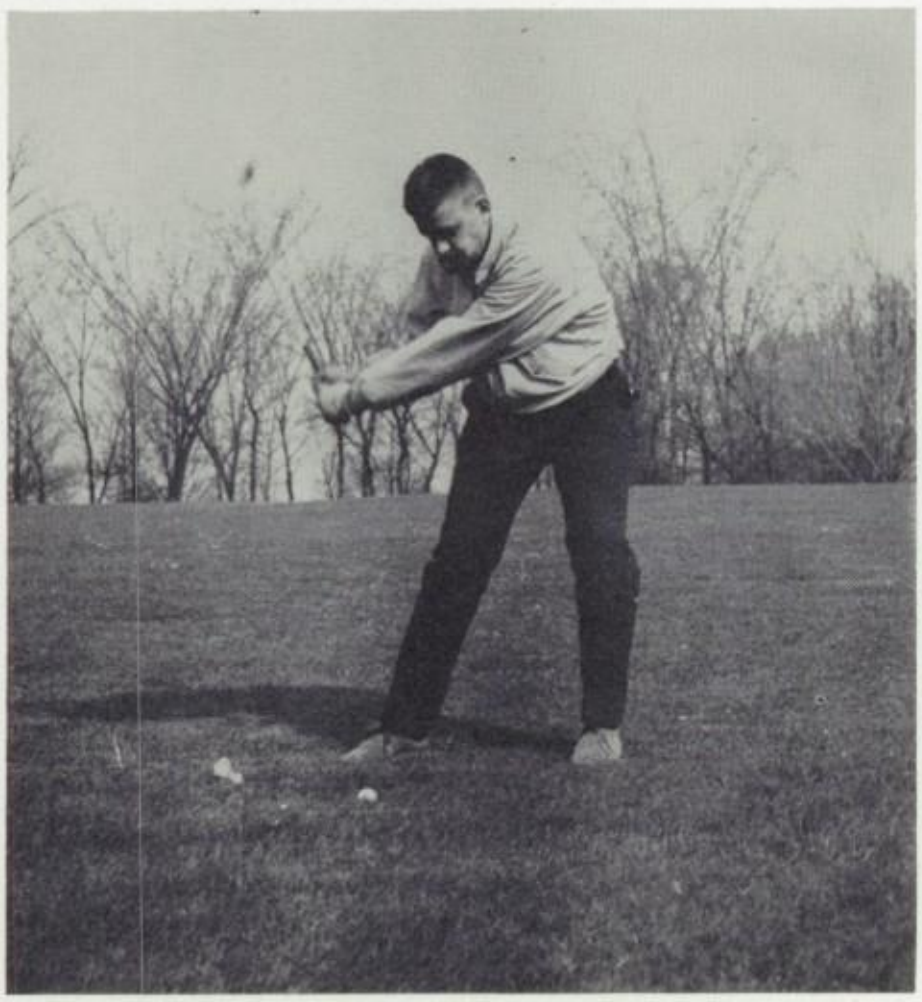
CONCENTRATION COUNTS!!!!!

YOUR SWING IS IMPORTANT IN GOLF

Tom Luck is "really in the swing of things."



The accuracy of your swing is very important in the game of Golf. "Practice Makes Perfect" in this sport and our team is working hard to do good this year. The Golf Coach, Mr. Gilbert, said, "We plan on a very good season this year." Bruce Ries, the captain for the 1960-61 season, has been the most consistent low scorer and was the captain for the 1959-60 season.

INDIVIDUAL TALENT RECOGNIZED IN TRACK

Karl Kindel strides over the hurdles.

Track is a sport which, like swimming and wrestling, recognizes the individual talent in a boy more than the team achievements. A participant in this sport may enter the "field events"(discus, shot put, broad jump, high jump, and pole vault) or the "running events" (the 100, 220, 440, 880 yard dashes, the mile, relays, and the high and low hurdles).

Mr. Bartow was the head coach and Mr. Russell and Mr. Barbian were the assistant coaches for the Track Team. There were sixty boys out for track this year, with a good nucleus of returning lettermen. Twenty-five of the sixty boys were freshman boys which gave the squad good depth.

"Tough work, eh Pat?" (Dedynski)

Mr. Bartow points out the new Track field to Mr. Barbian, John Buchholtz, Tim Fitzwilliams, Bob Bruett, Karl Kindel, Sands Robnick, Mr. Russell, and Kim Johnson.

HALES CORNERS SHOPPING CENTER

We, the staff of the 1961 *Pioneer Annual*, hope that throughout this annual we have reminded you of the year's happenings both large and small. We also hope this annual has proved that everyone at Greendale is really *"in the swim"*.

In conclusion the staff would like to thank Mr. Lee, for all his help and advice in the publication phase of the annual, Mr. Heard, business adviser, Mr. Mortenson, photography, and Mr. Baumgart, for designing the cover.

Dear Jane,

Be good dear and
remember to mind
your parents
and your teachers
at all times.

Love,
Daddy

P.S. Don't forget
to brush your teeth
and say your prayers
before you go to bed.

Dear Jane,

I'm glad you called
Johnny. (your pal)
"Doc" (your swimming
coach) and I thought
it would be nice
if we all got together
and had a party
to celebrate
your RE-FORMED
behavior.

So please come
and bring
your daughter
Jane
and
Johnny
with you.

Love,
Daddy
